EDUCATION

Higher National Diploma in Information Technology | *2024 – Present*
SLIATE, ATI – KANDY

Graphic Design - NVQ Level 4 PT (Reading) | *2025 – Present*
Nanoda Vocational Training Center, Manikhinna

PROJECTS

SLIATE VLMS | *Apr 2026 – Jul 2026*

Tech Stack: React, Node.js, Express.js, MongoDB

- Developed a full-stack web application to digitize and automate academic administration and lecturer recruitment as a final-year project.
- Implemented secure role-based dashboards, and a complete automated payroll module with accurate late-penalty calculations.

Lecturer Payroll & Attendance System | *Jan 2026 – Apr 2026*

Tech Stack: Python, CustomTkinter, SQLite, Pandas

- Developed a desktop admin portal to manage lecturer profiles, departmental roles, and hourly rates.
- Automated payroll by parsing biometric CSV logs to calculate working hours with late penalties and export monthly paysheets.

CampingAreas.lk | *Nov 2024 – Dec 2024*

Tech Stack: HTML, CSS, JavaScript

- Developed a comprehensive front-end web application to discover, promote, and guide users to the best camping areas in Sri Lanka.
- Implemented a fully responsive user interface featuring district-wise location filtering, dynamic image sliders, and user authentication.
